In 2018, this cow produced the longest horned bull we have ever raised. His name is CLEAR MAN LV. (He has won 6 championships for horn length at the HSC). Sugarberry always out produces herself. She is a big framed/ bodied cow. So far she has given us colorful offspring with extraordinary length of horn. Her calves have sold for the highest dollars at weaning and two of them are doing great at the futurities.

Total Horn: 97.1250 on 06/05/2023
Weight: 1060.0000 on 11/12/2023
