DEL CHARRO was a Game Changer! Unfortunately, he died on March 10, 2025. Early horn growth is an important mile marker. Del Charro is in the TOP TEN (#9) in the entire breed for earliest to reach 70" tip to tip. He passed 70" at 649 days. His last measurement put him at 92" tip to tip. He has a proven record of producing Color, Horn & Conformation. We think he is one of the most powerful and colorful sons of World Record horn
