We are so happy that Fabulous Broke her tip off in 2015. We might have taken her to a sale and sold her otherwise. Instead we can build our program with her great offspring. Her name says it all. She's Fabulous, a great example of the heavy horns that the proven producer Stonewall Texa can throw, especially when matched up with a great Jimmy Jones Peacemaker daughter like Fabricate. who's Dam is almost 90" Wow!
