Looking forward to what HH Never Forget will do for our program. This bull has sired some very fancy heifers and we have set some high standards for him. He is a genetic goldmine for some of the industries best horn producing bloodlines, Cowboy Tuff Chex, EOT Cherrypicker's Leweze, Touchdown of RM, and Farlap Chex. His dam is the over 90" T2T Awesome Pat, who has the big swooped horns which passes on to the offspring of this amazing
